 - L Every Little Bit Hurts.
 - L If I Were A Carpenter.
 - L Rollin= Over.
 - L Tin Soldier.

[Not listed are several unreleased BBC sessions and the rare French EP singles, which feature alternate versions of several early singles. CD re-issues of Decca=s two Small Faces albums (Small Faces and From The Beginning) purport to feature these French EP versions, but according to collectors, these versions are not from those singles, but are from session acetates recorded during the various recording sessions of those songs. The French EPs remain elusive to the general public!]
